Making LOCAL Meaningful

Local means neighbors. Local means support. Local means people. Local means love, delicious, family, fresh.

Local means something to our community; local is our community.

Local has always been at the heart of all things North Coast Co-op, and our in-store local program is more robust now than ever before. With products from nearly 200 local vendors, a bright new local logo, and a recently revised local definition, we are continuing to meet our longstanding goals of leading the charge in helping build our local foodshed and supporting all the talented farmers, ranchers, and producers in our community. Local reduces our environmental footprint, and bolsters our sense of connectedness. Read more in the April Co-op News.

Find local products from Humboldt, Trinity and Del Norte counties throughout our stores; look for upcoming events and in-store demos to connect with local producers!

North Coast Co-op, making local meaningful since 1973.
